WANTED—A TRUSTWORTHY GENTLE man or lady in each county to manage business for an old established house of solid financial standing. A straight, bona fide weekly cash salary of \$18.00 paid by check each Wednesday with all expenses direct from headquarters. Money advanced for expenses. Manager, 530 Caxton Bldg., Chicago.

The best play of the season. What? "A Royal Sport," at the opera-house to night.

W. B. Palmer has sold his 160-acre farm, near Salisbury, to Geo. H. Hibler of Woodbine, Iowa. We did not learn the consideration.

Earl Lutz, aged 19 years, son of Mr. and Mrs. Fred Lutz of near Norborne, died Monday after a lingering illness of a complication of diseases.

Miss Ida Brasher of Carrollton has been elected to fill the vacancy in the Norborne public schools, occasioned by the resignation of Morland Brown.

Rev. J. W. Duckwitz has resigned as pastor of the Lutheran church at Salisbury, and preached his farewell sermon last Sunday. He goes to Kansas to accept the pastorate of a Lutheran church in that state.

Lightning struck a barn belonging to Dan Trax, east of Hale, Friday night, which was burned to the ground. Twenty-five tons of hay, his harness and a quantity of lumber, was consumed. There was but little insurance.

Money for Farmers

I have private means to loan you on good real estate security at reasonable rates. Write to me. No delay in closing loans.

WILLIAM R. COMPTON,
51 Wardell Building, Macon, Missouri.

The States hotel at Tina was destroyed by fire Sunday night. The origin of the fire is supposed to have been from the explosion of a lamp in an upper room. Most of the furniture in lower rooms was saved, but everything in the upper story was consumed.

Prof. Ed D. Agee, one of the COURIER's esteemed friends at Salisbury, was among those who were awarded first grade certificates at Howard county teacher's institute this year. Prof. Agee expects to teach in that county this fall and winter.

Not Doomed to Life.

"I was treated for three years by good doctors," writes W. A. Greer, McConnellsville, O., "for Piles and Fistula, but when all failed Bucklen's Arnica Salve cured me in two weeks." Cures Burns, Bruises, Cuts, Corns, Sores, Eruptions, Salt Rheum, Piles or no pay. 25c at W. C. Gaston's drug store.

The following farms in the vicinity of Sumner are reported by the Star to have been sold last week through the R. T. Buchanan agency of Sumner: G. M. Brown, 280 acres, for \$60 an acre; M. M. Bedon, 160 acres, \$55; the Erb place of 40 acres, \$52.50; Barnhart farm of 80 acres, \$55; J. M. Hogsett, 160 acres, \$52.50.

How to Save Your Silver.

Wherever Uncle Sam's mail bag goes a liberal trial quantity of ELECTRO-SILICON goes when a housekeeper asks for it. Send your address on a postal to the Electro-Silicon Co., 39 Cliff St., New York, N. Y., and it will be sent to you; when tried its story is told; then it is for you to decide whether or not it's the best. It's unlike all other silver polish, it never scratches or wears, it's how it saves your silver. Its brilliancy producing power is surprising. A full sized box will be sent post-paid for 15 cents in stamps. Your grocer should have it; it has been in market thirty-five years and is sold in nearly every civilized country.

A Memphis Baptist minister makes the startling claim that the Baptist preachers were eating yellow-legged chickens for 1,800 years before a Methodist had been discovered. This should be investigated and sacred history corrected if the claim is found to be just.

Robt. McLaughlin, a furniture dealer of Marceline, was seriously hurt by falling from the baggage car of a Santa Fe train, near Baring, Knox county, while returning from an excursion to Keokuk, Iowa. McLaughlin had been asleep and walked out of the front door to the baggage car before he fully awakened.

TEARFUL OR CHEERFUL?

Whether a woman is tearful or cheerful depends not on what she has materially, but what she is physically. Many an indulgent husband is driven almost to despair by the tearful outburst of a wife who has "everything she wants." He wants to know what's the matter. But the wife can't tell. She only knows that she is depressed and despondent.

Such a condition is usually related to some form of womanly disease. The mental depression has its corresponding womanly weakness. Doctor Pierce's Favorite Prescription changes tearful women to cheerful women by curing the diseases which cause physical weakness and depression of spirits. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness.

Mrs. Alice Adams, of Laboratory, Washington Co., Pa., says: "With many thanks I write to let you know how I am. I can say by God's help and your help I am well. I have taken six bottles of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery,' and I can do all my work. I can't praise your medicine too highly. I will recommend your medicines as long as I live. If any one doubts this give them my address."

"Favorite Prescription" makes weak women strong and sick women well. Accept no substitute for the medicine which works wonders for weak women.

Keep the bowels healthy by the timely use of Doctor Pierce's Pleasant Pellets.

A centipede was killed on the walk opposite the schoolhouse in Cunningham a few days ago. It was not learned whose boot the reptile escaped from. Henry Thomas was the slayer.

B. D. Grimsley is quoted by the Cunningham correspondent of the Sumner Star as saying that the last rise in Grand river was caused by one of his ears of corn rolling into the river. Next!

Devoured by Worms.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition, their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. 25c at H. M. Sigloch's.

If you want to laugh you should not miss "A Royal Sport" Friday night, October 19. If you love singing and dancing you will find it there. If you like pathos there is plenty of it. So don't miss the play.

Twenty-one Years a Dyspeptic.

R. H. Foster, 318 S. 2nd St., Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for twenty-one years; tried many doctors without relief; recently I got a bottle of Herbine. One bottle cured me. I am now tapering off on the second. I have recommended it to my friends: it is curing them, too." 50c at H. M. Sigloch's.

The Triplett Tribune says that it made a blunder in stating that S. S. Clements had sold his 160-acre, 2-1-2 miles northeast of Triplett. It was Frank Fleming who sold his farm instead of Mr. Clements.

Croup

Usually begins with the symptoms of a common cold; there is chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough, apply frequently Ballard's Snow Liniment externally to the throat. 50c at H. M. Sigloch's.

OLD ADAGE SAYS

"A light purse is a heavy curse." Sickness makes a light purse. The LIVER is the seat of ten tenths of all disease.

Futt's Pills

go to the root of the whole matter, thoroughly, quickly safely and restore the action of the LIVER to normal condition.

Give tone to the system and solid flesh to the body.

Take No Substitute.

"Royal Sport."

A great play is "A Royal Sport." Don't miss "Royal Sport" at the opera-house Friday night October 19.

By a Christian and generous act of Mr. Pleasant Baptist association, Rev. L. J. Harris of Salisbury, a young minister of the Baptist church, will attend William Jewell college at Liberty, Mo., during the present scholastic year.

Fortune Favors a Texan.

"Having distressing pains in my head, back and stomach, and being without appetite, I began using Dr. King's New Life Pills," writes W. P. Whitehead of Kennedale, Tex., "and soon felt like a new man." Infallible in stomach and liver troubles. Only 25c at W. C. Gaston's drug store.

Messrs. Geo. W. Westgate and Wm. D. Moore of Linn county recently received a carload of mules from South Dakota. They are said to be equal to Missouri's mules, but we think that claim should be taken with a few grains of salt as Missouri's sons and daughters of the ass are world beaters.

Cures Eczema and Itching Humors Through the Blood—Costs Nothing to try.

B. B. E. Botanic Blood Balm is a certain and sure cure for eczema, itching skin, humors, sores, scabies, watery blisters, pimples, itching bones or joints, rashes, carbuncles, prickling pain in the skin, itching sores, ulcers, etc. Botanic Blood Balm cures the worst and most deep-seated cases by enriching, purifying and vitalizing the blood thereby giving a healthy complexion. Good remedies may relieve, but B. B. E. actually cures, heals every sore and gives the rich glow of health to the skin, making the blood red and nourishing. Especially adapted for old, obstinate cases. Druggists \$1.00. Trial treatment free and paid by writing Dr. Williams, 260 Mitchell Bldg., Atlanta, Ga. Describe trouble and free medicine will be advice given.

W. J. Bryan, the twice defeated Democratic nominee for president, will discuss the political issues of the day at two points in Linn county—Marceline and Brookfield—Saturday, September 27. He will speak in Marceline at 5 o'clock p. m. and at Brookfield in the evening.

A Bo's Wild Ride for Life

With family around expecting him to die, and a son riding for life to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown of Leveville, Ind., endured death agonies from asthma, but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed bottles 50c and \$1. At Gaston's drug store.

Chicken thieves raided the chicken-house of Jack Wheeler in Marshall Tuesday night, and were taking the pick of the roost when Mr. Wheeler appeared on the scene and fired several shots at the fleeing thieves, who dropped the bag of chickens, but succeeded in making good their escape.

We see by the Salisbury Democrat that E. D. Dodge, the village blacksmith of Bynumville, brought suit against the Wabash railroad for \$201 damages. The case was tried in Justice Mason's court at Salisbury Tuesday, and resulted in a judgment for the plaintiff for \$75. An appeal was at once taken by defendant to the circuit court. It seems that during the early part of August, 1901, the Central Iron works of Quincy, Ill., delivered to the Wabash a cold tire-setting machine, to be delivered to Mr. Dodge at Salisbury. The machine went to some point in Iowa and, after a trip from Bynumville to Salisbury with teams and men and trading by the Wabash agent, it was finally received at Salisbury on the 27th of August. Mr. Dodge claims he was damaged by not receiving it promptly, as it was very dry and much tire-setting was wanted at his hands. Several Bynumville citizens were down Tuesday as witnesses in the case.

In Java

Natives do not glaze coffee with a cheap and impure coating. They have too high a regard for health as well as for the naturally delicious flavor of their popular berry. The very American roasters who glaze their package coffees do not dare to touch or glaze their high priced Mochas and Javass. Why? is never glazied or adulterated. It is JUST PURE COFFEE.

BRADSTREET'S report shows that \$10,000,000,000 invested in manufacturing produces \$13,000,000 or \$1.30 on every dollar, while \$20,000,000,000 invested in agriculture produces \$4,700,000,000 or less than 25 per cent. And yet there are farmers, in the face of these stubborn facts, who will continue to vote the Republican ticket. Don't you think they need a guardian appointed?

Nasal Catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. A remedy for Nasal Catarrh which is dexting or exorting to the diseased membrane should not be used. Cream Balm is recognized as a specific. Price 30 cents at druggists or by mail. A cold in the head immediately disappears when Cream Balm is used. Ely Brothers, 53 W. 4th Street, New York.

J. S. L. Moore had Cuts and Alfred Pipes arrested for assaulting him at the paw-paw picnic. When the case was called before Justice John R. Owsen of Browning the Pipes boys took a change of venue to Milan.

CASTORIA. The Kind You Have Always Bought

An interesting family reunion took place at the home of Mrs. Lizzie Metcalf, near Blackburn, Monday. It was the occasion of the 82nd birthday of Mrs. Metcalf's mother, Mrs. Nancy H. Catron.

SOFT CORE

Like the running brook, the red blood that flows through the veins has to come from somewhere.

The springs of red blood are found in the soft core of the bones called the marrow and some say red blood also comes from the spleen. Healthy bone marrow and healthy spleen are full of fat.

Scott's Emulsion makes new blood by feeding the bone marrow and the spleen with the richest of all fats, the pure cod liver oil.

For pale school girls and invalids and for all whose blood is thin and pale, Scott's Emulsion is a pleasant and rich blood food. It not only feeds the blood-making organs but gives them strength to do their proper work.

Send for free sample. SCOTT & BOWNE, Chemists, 407-415 Pearl Street, New York. 50c and \$1.00; all druggists.

It is not true that Admiral Higginson fired a salute when the dutchess of Marlborough and her party visited his shop and stopped the war game. The reports came from the extra dragnums opened on that occasion.
